

# ACNE MEDICATED CLEANSER

For acne-prone skin

- Acne-prone skin
- Oily, blemish-prone skin
- Acne blemishes, blackheads, whiteheads
- Sensitive skin

## CLEANANCE ACNE

### MEDICATED CLEARING GEL CLEANSER

Clinical strength cleanser to remove excess sebum and help clear acne blemishes while maintaining a balanced, healthy skin barrier.

**1 CLEANSE**  
Removes pore-clogging oil and debris for a refreshed and balanced complexion.

**2 PROTECT**  
Maintains the balance and diversity of the skin's natural microbiota for optimal health.

**3 TREAT**  
Salicylic Acid deeply cleanses and purifies pores to prevent new acne blemishes and blackheads without stripping the skin of its essential moisture.

# ACNE MEDICATED TREATMENT

For acne-prone skin

- Acne-prone skin
- Oily, blemish-prone skin
- Acne blemishes, blackheads, whiteheads
- Sensitive skin

## CLEANANCE ACNE

### MEDICATED CLEARING TREATMENT

A fast-acting treatment to clear acne imperfections, such as pimples, blackheads and whiteheads, while preventing future breakouts without disrupting the skin's balance.

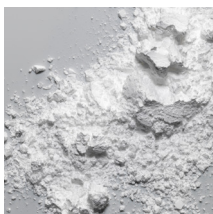

- 1 TREAT**  
Micronized Benzoyl Peroxide targets acne-causing bacteria and effectively treats blemishes for a clearer skin without the irritation.
- 2 PROTECT**  
Preserves the skin's natural equilibrium to maintain a healthy, balanced complexion.
- 3 PREVENT**  
Minimizes the occurrence of blemishes, breakouts, and blackheads while reducing excess oil.
