

RADIANCE & ANTIOXIDANT SERUM

For aging skin

- Fine lines & wrinkles
- Skin lacking radiance
- Dull skin
- Dark spots
- Uneven skin tone

VITAMIN ACTIV Cg

RADIANCE CONCENTRATED SERUM

Radiance-boosting treatment that helps to visibly smooth fine lines & wrinkles, even skin tone and improve the appearance of dark spots within 1 month¹.

A UNIQUE SYNERGY OF KEY INGREDIENTS

1.0 fl.oz. | SRP: \$46

VITAMIN Cg (1.8% is equivalent to 20% Vitamin C¹)

(Ascorbyl Glucoside)

A highly stable form of Vitamin C is gradually released for a prolonged antioxidant protection against free radicals while brightening and boosting skin radiance

NIACINAMIDE

A powerful antioxidant that helps to strengthen the skin barrier while reducing the appearance of dark spots and wrinkles

BAKUCHIOL

A plant-based alternative to retinol that helps to reduce visible signs of aging
